[Jun 19 2014, 8:05 PM] dapolleys: Hack your notebook day is July 9th.
Connect, Create, Make, and Share!
[Jun 19 2014, 8:07 PM] dapolleys: Nice! We have the freedom to play.
[Jun 19 2014, 8:09 PM] poh: Feel free to pop out the chat window by clicking on the link in the lower right corner
[Jun 19 2014, 8:09 PM] poh: Also, welcome everyone!
[Jun 19 2014, 8:10 PM] mtechman: Will this be archived, Paul?
[Jun 19 2014, 8:11 PM] poh: yes, it will be, Melissa.
[Jun 19 2014, 8:11 PM] poh: Also, good news - we're going to meet in the SFPL on July 9th!
[Jun 19 2014, 8:11 PM] mtechman: Yay!!
[Jun 19 2014, 8:11 PM] poh: (that last message was for Melissa - though any others in the Bay area would be welcome)
[Jun 19 2014, 8:13 PM] mtechman: I can't wait to explore with accordian "books" or popups...
[Jun 19 2014, 8:14 PM] Jennifer_Dick: We have connected w. a book artist named Susan Loudermilk in OR whom we hope to continue to work with on paper engineering
[Jun 19 2014, 8:14 PM] mtechman: Notebooks are like sketchbooks - they're personal,portable.
[Jun 19 2014, 8:14 PM] poh: Let us know if you have questions - we'll pose them to the group in the hangout.
[Jun 19 2014, 8:15 PM] mtechman: Yay - reclaiming notebooks away from the rote...
[Jun 19 2014, 8:19 PM] mtechman: Workbooks and planners - ruled by teachers. Paper, notebooks, origami, paper airplanes - in the hands (sometimes hidden) of kids...musing...
[Jun 19 2014, 8:20 PM] mtechman: I'm betting that libraries will enjoy extending this to Hack your _____ Book. Altered books, crafting w deleted books etc.
[Jun 19 2014, 8:20 PM] poh: Love that idea, Melissa!
[Jun 19 2014, 8:22 PM] cynthiajabar: Me too Melissa!Notebooks are a gr8 way to think about your thinking, you can look back, carry it around,very personal space
[Jun 19 2014, 8:23 PM] dapolleys: I love the idea that we become like a scientist and artist through this process.
[Jun 19 2014, 8:23 PM] mtechman: HI Cynthia!!
[Jun 19 2014, 8:23 PM] poh: summer to make play and connect: makesummer.org

[Jun 19 2014, 8:25 PM] cynthiajabar: really inspiring stuff, thank you all.
look forward to see what you do July 9

[Jun 19 2014, 8:26 PM] mtechman: Cynthia, we had a mtg here recently with Jie Qui and also Carol "Popup" Barton :)

[Jun 19 2014, 8:27 PM] cynthiajabar: Melissa, Lucky! ; 0

[Jun 19 2014, 8:27 PM] cynthiajabar: Would love to do something like this at the MakerParty in Bronx July 17

[Jun 19 2014, 8:27 PM] mtechman: Yes! Great to meet, brainstorm... Can't wait to include my #artsed buddies

[Jun 19 2014, 8:28 PM] mtechman: Go for it, Cynthia! Sounds great. Maybe we could share some templates (schematics? word?) back and forth...

[Jun 19 2014, 8:29 PM] cynthiajabar: Yes! sounds gr8 Melissa

[Jun 19 2014, 8:29 PM] mtechman: I will DM you, let's talk more. Thanks!

[Jun 19 2014, 8:29 PM] cynthiajabar: ok, Melissa

[Jun 19 2014, 8:31 PM] Jennifer_Dick: For youth, Project Mash is currently in alpha development and is a platform for youth and their educators to share projects and activities <http://projectmash.org/>

[Jun 19 2014, 8:31 PM] mtechman: Agree, Ira, but also I love to have kids document the process w video and writing - and often they need a nudge.

[Jun 19 2014, 8:33 PM] mtechman: Paul, I know each WP site is autonomous, but is there a way to urge some which are more resistant to new literacies etc?

[Jun 19 2014, 8:35 PM] mtechman: It supports flexible thinking. It allows storytellers of all ages to think in a bigger way - yes, building things...

[Jun 19 2014, 8:35 PM] poh: Good question, Melissa. We tend to try the carrot versus the stick approach. :-)

[Jun 19 2014, 8:36 PM] mtechman: Yes. seeing some local carrot aversion, but I live in hope

[Jun 19 2014, 8:37 PM] mtechman: Nice - systems thinking supporting the writing and storytelling construction...

[Jun 19 2014, 8:38 PM] mtechman: Similarly, girls thinking they "can't do" tech except as something to consume.

[Jun 19 2014, 8:40 PM] mtechman: So true. Voice, choice, the chance to tinker...

[Jun 19 2014, 8:43 PM] mtechman: Where, how? Internet-connected notebook...w MaKey MaKey?

[Jun 19 2014, 8:44 PM] poh: Yeah, like Christian McKay developed, Melissa!

[Jun 19 2014, 8:45 PM] mtechman: Got it, thx Paul
